Dear colleague,

Welcome to Venezia!

We are delighted to have you as a special guest at the 2nd edition of **Historia**, the one and only trade event dedicated to the great tradition of European historic mansions and hotels, in collaboration with Historic Hotels of Europe.

Historia represents a privileged context to expand your business relationships and, of course, to enjoy the unrivalled beauties of our wonderful city.

On the following pages, you will find a description of each company you will have the chance to meet with during the conference as well as during the networking functions scheduled in the programme.

We trust that the information collected is going to be helpful to develop fruitful contacts.

We wish you an excellent and meaningful stay.

Elisabetta Neri & Fulvio Bettini
